#HKBU has received a generous #donation of HK\$1 million from Dr Tan Siu-lin, Founder and Chairman of the Sun Yat-sen Education and Charity Foundation. The Department of History will use the donation to conduct #research on Dr Sun Yat-sen.

The Sun Yat-sen research aims to promote related scholarly research and activities. An array of projects have been completed, including the interactive online databases "Sun Yat-sen Parks in the World" and "Pictorial Representations of Sun Yat-sen" which have been created in collaboration with the University Library, as well as a recent exhibition on the first-day covers of Dr Sun Yat-sen.
