The opening ceremony was followed by a public seminar hosted by Mr Vincent Kwan, who delivered a presentation entitled "Dr Sun Yat-Sen Classical Chinese Garden in Vancouver – Past, Present and Future". He introduced the symbolic meanings, cultural orientation and social values of the garden from the aspects of nation, race, culture and tourism. He also stressed the necessity of re-examining the relation between the garden and community, as well as the need to build external partnerships, and renew the mission of the garden.
